M.Arch Graduate

SUMMARY

- Master of Architecture graduate from the University of Waterloo seeking a full-time architectural designer position in Toronto
- Registered as an Intern Architect with the Ontario Association of Architects (OAA)
- Past design work includes residential, mixed use, accessibility retrofit, and adaptive reuse projects
- Seven years of experience using Rhino, Revit, Enscape, and Adobe Creative Suite across academic and professional settings
- Diligent and organized, evidenced by high academic standing and awards for academic achievement and design excellence
- Strong problem-solver and communicator, demonstrated by experience in research and outreach

EDUCATION

University of Waterloo, School of Architecture **Cambridge, ON**
Master of Architecture **Sep 2023 – Apr 2025**

- Thesis: *Facing the Flood: Amphibious Architecture for Flood Resilience in Peguis, Manitoba*
- AIA Medal for Academic Excellence, OAA Scholarship for Exceptional Leadership through Design Excellence, Canada Graduate Scholarship – Master's (SSHRC)

University of Waterloo, School of Architecture **Cambridge, ON**
Bachelor of Architectural Studies **Sep 2018 – Aug 2023**

- Graduated Dean’s Honours List with Distinction

WORK EXPERIENCE

Ontario Association of Architects **Toronto, ON**
Architectural Graduate **Jun 2025 – Jun 2026**

- Developed firsthand knowledge of architectural regulation in Ontario, including licensure requirements, practice standards, and professional ethics, through a full-time staff position at the OAA
- Supported professional initiatives, practice resources, committees, events, and an energy-efficiency audit of the OAA headquarters

W X Y architecture + urban design **New York, USA**
Architectural Intern, Co-op **Jan 2023 – Apr 2023**

- Developed Rhino and Revit models for the adaptive reuse of the Jones Beach Bathhouse, integrating new program and service spaces within an existing building complex
- Produced design development drawings, diagrams, 3D visualizations, and client presentation materials

D'Ambrosio architecture + urbanism **Victoria, BC**
Architectural Intern, Co-op **Jan 2022 – Aug 2022**

- Created as-built drawings and documented existing conditions for an energy-efficiency retrofit study of a heritage institutional building, including participating in site visits
- Created diagrams, massing studies, and physical models in support of a rezoning application for a master-planning project

WORK EXPERIENCE cont.

IBI Group **Etobicoke, ON**
Architectural Intern, Co-op **May 2021 – Aug 2021**

- Produced architectural drawings, details, and schedules in Revit for accessibility retrofits of various City of Toronto buildings, including fire halls, libraries, and municipal offices
- Collaborated with in-house consultants to coordinate details and ensure compliance with accessible design guidelines, then used Bluebeam Revu to note changes and drawing updates

Fryett Turner Architects **Elora, ON**
Architectural Intern, Co-op **Sep 2020 – Dec 2020**

- Prepared feasibility studies and schematic designs using Revit and AutoCAD for residential and commercial projects

Powerhouse Company **Rotterdam, Netherlands**
Architectural Intern, Co-op **Jan 2020 – Mar 2020**

- Produced presentation drawings, diagrams, and renderings for design competitions, office buildings, and residential projects

University of Waterloo, Buoyant Foundation Project **Cambridge, ON**
Research Project Coordinator, Part-Time **Sep 2023 – May 2025**

- Coordinated a flood resilience research project, managing a team of undergraduate researchers, overseeing schedules, and assisting with budgets and documentation
- Facilitated research and stakeholder engagement, including translating technical research into communications to community partners

SKILLS AND QUALIFICATIONS

- **Software:** Revit, AutoCAD, Bluebeam, Rhino, SketchUp, Grasshopper
- **Visualization:** Illustrator, Photoshop, Hand Sketching, Architectural Rendering (Enscape, V-Ray)
- **Office Software:** Microsoft Word, Excel, and PowerPoint
- Registered as an **Intern Architect** with the Ontario Association of Architects (OAA)
- Experience with **model making**, including 3D printing and laser cutting
- Ontario G Driver’s License
- Strong **visual and written communication skills**
- **Highly organized**, with experience coordinating projects and managing multiple priorities
